Dear Ken:

It was very pleasant being with you last Thursday and I certainly enjoyed examining Fred's collection. It would be a pleasure for me to be able to acquire it in its entirety.

I have tried to reach Mr. Wolf but as yet we have not made contact. In the meantime I am returning, under separate cover, the sheets which I borrowed and which I have had photocopied.

I will contact you again as soon as I have talked with Mr. Wolf.

Kindest regards.

Sincerely yours,

Dear Mr. Newman:

Ken stopped in my office just after you had called and I caught him in a good mood and he agreed to the price which you had offered.

Rather than take a chance on his changing his mind, I drafted this little Memorandum of Agreement. If you will please sign it and return one copy to me and retain one, I think it will be adequate.

Very truly yours,

Dear Mr. Wolff:

Thank you for sending me the inventory sheet of the Merckhoff paper money collection.

I have a sister, living in Chicago, and it would be very convenient for me if the paper money could be delivered to either her, or her husband, after court approval. I presume Mr. Merckhoff drives into Chicago reasonably often and thought it could be handled in that manner. It could be delivered either to their residence or to their factory. The name and address is as follows:

Dear Mr. Newman:

I am sorry that I have been quite busy lately, but the Probate Court approved the sale of the Marckhoff collection on Tuesday.

Mr. Marckhoff neither drives an automobile or travels to Chicago very often. I wonder if you could make some other arrangement for picking up the collection. I am sure most anything along that line would be agreeable to Mr. Marckhoff.

Dear Ken:

It was pleasant talking to you and I was glad to learn that the First National Bank of Elgin is open on Saturday morning. I will pick up the collection on Saturday, January 28.

It is my understanding that the box has not been opened since I examined it and has remained locked and in the vault. In that case there should not be any differences between the list and the actual content.

I believe Mr. Wolff is going to advise me whether the check should be payable to you, as executor, or to the Estate of Fred A. Marckhoff, or to you, personally.

If you want to look at all of the magazines, books, and other items at the house, so that I could take those at the same time, that would be helpful; otherwise I can do that on Saturday morning.

Kindest regards.

Sincerely yours,

Dear Ken:

Thank you, so much, for your consideration in calling me up to advise me not to come this Saturday for Fred's paper money collection. The weather would have been worse than impossible and I hope the blizzard has stopped by now.

I am now going to arrange to have someone else pick up the collection from the bank and from your home. I am wondering if you would be nice enough to pack all of Fred's numismatic books, pamphlets, magazines, and records into a case or two so that they could be picked up easily whenever I send someone for the case in the vault.

Thank you, again, for your thoughtfulness.

Sincerely yours,

January 27, 1967

Dear Henry and Ivy,

Since our Chicago expedition has been called off I have now decided to plan some other method for having the items in Elgin picked up.

The collection of money is at the First National Bank of Elgin, which is open on weekdays except Wednesday and is open from 9 to 12 on Saturday. It is in a metal box with two locks and must weigh 250 pounds + or -..... There are also some numismatic books and magazines at 952 Park Street, Elgin, Illinois, at the home of Kenneth Marckhoff, telephone No. 312 SH 1-6599. The books and magazines are of no particular value and will have to be repacked and sent by freight or book post, or some other way, depending upon the quantity.

Trucking companies will not take items of unusual value. Railway express will do so but it involves endless handling by freight forwarders which I want to avoid.

The best way to ship the metal box containing the money is to send it by American Airlines Air Freight Service from O'Hare to Lambert Field, St. Louis, Missouri, with instructions to notify me, by telephone, at MAIN 1-7300, or PARKVIEW 7-0850, on its arrival in St. Louis, and I will pick it up at the airport. Then it is only put into one carrier. The airlines will take money for $6.00 per hundred pounds. The shipment should be described as "OLD CHECKS AND BANK NOTES" on the bill-of-lading.

Do you have anyone at Uniquip whom I could pay to drive to Elgin to get these items and who could fill out appropriate papers at American Airlines, at O'Hare, on the way in? I don't want you or Ivy to try to do it because the stuff is too heavy. However, if you want to do your poor old brother a favor and take some young person, with muscles, along and pay him for his time that would be great. You could schedule the pick up at any time that was convenient either on Saturday or on a week day during banking hours and I could make all arrangements. Naturally, the snow and pneumonia will have to pass by before this can be accomplished.

I will want you to deliver a check in payment at the time the items are received.

Think this situation over and see what you have to suggest.

Love from your "collector brother",

February 1, 1967

Mr. Ralph Wanger, Jr.

Dear Ralph:

Arrangements have been made for Saturday morning, February 4, for pick up of the metal box and the books and papers from Kenneth Marckhoff, 552 Park Street, Elgin, Illinois (phone 312-SH 1-6599). You can go first to his house as early Saturday morning as you wish and put the books and magazines into your car. You will then go to the First National Bank of Elgin with him and he will deliver the metal box to you. He will also give you the keys to the metal box. You can give him the enclosed check at that time. Please mail the keys to me at P.O. Box 14020, St. Louis, Mo. 63178, by dropping them off at the airport in the enclosed envelope. Please deliver the metal box only to the American Airlines Air Freight Service at O'Hare and fill out a bill of lading addressing the item to me with instructions to notify me by telephone (PA 7-0850) on the arrival of the package. My address is 6450 Cecil Avenue. I will call for it at the airport as soon as I am advised it has arrived. The air freight is 6¢ per pound and please be nice enough to pay that on my behalf. Please mark the contents as "old checks and bank bills".

Mr. Marckhoff will help you get the item from the bank into your car. The American Airlines freight depot will have someone I am sure who can help you get the item from your car to their platform. Use good judgment on anything else that comes up.

If the weather closes in again we will, of course, postpone the activity. I sincerely appreciate your willingness to do me this favor as I do not know how to handle these stealables any other way. No insurance is necessary. The magazines and books can rest in your house or Henry's house until we have a chance to talk about it. If you have any difficulty, do not hesitate to call me at my home.

I am enclosing a letter for you to give to Mr. Marckhoff.

Yours very truly,

Eric P. Newman
